

CKD Newsletter

January 2025

INTEGRATED MDTs

What are they?

A chance to discuss any patient queries with a consultant nephrologist. Also helpful training so worth attending with non-patient specific queries and learning.

Who are they for?

All CLINICIANS looking after patients with CKD

When are they?

First Wednesday OR Thursday of the month (alternating)
from 12.30-1.30pm

How do I get a link to join?

Via practice/PCN or email philippa.jones10@nhs.net

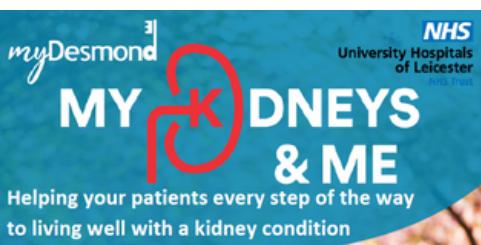

CKD Resources Website

As we are sharing resources we now have a webpage available to all practices involved in the project.

You can find links to helpful guidance and any relevant resources, as well as past newsletters.

Please let us know if there is anything else you'd like to see on here.

My Kidneys and Me (MK&M)

What is it?

A resource to support your patients with their CKD diagnosis.

An online education platform.

How do we find out more?

Attend **one** of the staff launch events.

How will patients find out about it?

All patients on your CKD register will be sent a link to register for a patient launch event.

MK&M Staff Launch events:

Planned in Jan PLT but if you have missed them we have a catch up session:
online 25/2/26 1pm (contact Philippa for link)

Future Reporting

Coming soon reporting dashboard to track progress and compare with other practices in the project...
